Dear Helen,
I haven't found the picture yet but it looks nice doesn't it? I suppose I'll know it well soon - here's hoping.

I haven't met Lydgie yet - she isn't here yet - will probably land tomorrow so will tell you about her later.

If you got the "bretzels" from Liddy I hope you enjoyed them & shared up - I meant them for every body but you must furnish the beer.

Sincerely,
Liddy

Miss Helene Eberle,
